Re: D.T.E. 00-67

Dear Secretary Cottrell:

I am writing to provide the Department with the impact of the proposed Standard Offer Service Fuel Adjustment ("SOSFA") on Nantucket Electric Company customers. The impact on a 500 kWh winter residential customer will be a bill increase of \$4.51 per month from the current level of \$58.83 to \$63.34, or 7.67%. The impact on a 500 kWh summer residential customer is a bill increase of \$4.51 per month from the current level of \$63.61 to \$68.12, or 7.09%.

Thank you very much for your time and attention to this matter.

Very truly yours,

Amy G. Rabinowitz
